

Collaboration. Transformation. Outcomes.

BPHC Bulletin

On the Horizon

DSRIP Year One!

On April 1st DSRIP Demonstration Year One (DY1) begins.

The transition into DY1 will be marked by three major developments:

1) learning more about our PPS community, 2) adopting a new governance structure, and 3) finalizing our Implementation Plan.

Partner Information

In the Bronx, hundreds of organizations work to build a healthy Bronx community. At BPHC, our aim is to support and unite these efforts by engaging every partner, member, and stakeholder in our community.

In the upcoming weeks and months, we will reach out to learn more about your organization, the services you provide, and the people you serve. We will continue to gather information about our partners as we move forward.

Subcommittee Nominations

We plan to create four Subcommittees to support the Executive Committee: Finance & Stability, Workforce, Quality & Care Innovation, and Information Technology.

We are accepting nominations for these Subcommittees. You can download a nomination form online at www.bronxphc.org/document-center. E-mail your nomination form to Lawrence Robertson at lrobertson@sbhny.org, by 5PM on Wednesday, March 18th.

Transitional Work Group Meetings

On March 12th, the Transitional Working Groups will meet for the first time! Transitional Work Groups will continue to convene over the next few months to establish detailed strategies to implement our projects and meet our goals. Stay tuned for results of these meetings in future bulletins.

In Case You Missed It

February's All-Member Webinar BPHC hosted an All-Member Webinar on Tuesday, February 24th. You can learn more about our Application Score, the Capital Restructuring Financing Program (CRFP), Implementation Plan, Workforce Strategy, Governance Structure, and Subcommittee Nominations. To download the webinar, please visit www.bronxphc.org/document-center.
