BPHC Launches Behavioral Health Call to Action

BPHC was thrilled to have State Office of Mental Health Commissioner Ann Sullivan, MD, and New York State Senator Gustavo Rivera join with more than 40 representatives from our PPS's community behavioral health organizations at our "Call to Action" Breakfast.

It was a dynamic morning of planning, sharing and strategizing to ensure that Bronx patients receive high-quality coordinated care in these high-need areas:

**Mental Health and Substance Abuse Screening and Referral
