Public Comments Invited for DSRIP Waiver Extension

The NYS Department of Health released for public comment a proposal to extend New York's Delivery System Reform Incentive Payment (DSRIP) waiver for an additional four years and seek \$8 billion in federal funding for continued support of health care transformation in the state. The current waiver ends on March 31, 2020.

Public comments are due by November 4 prior to DOH's submission of a formal waiver extension request to the Centers for Medicare and Medicaid Services (CMS). Comments may be submitted as follows:
