

FITNESS AND PERSONAL TRAINERS:

New wellness center opening in November 2020 in the Bronx, a part of the St. Barnabas Hospital Health System, is seeking fitness and personal training professionals.

Must have degree in PE, exercise physiology, kinesiology or related discipline. Candidates without a degree need not apply.

Within 3 months from employment date, must obtain one of the following certifications: ACSM (American College of Sports Medicine)-Health & Fitness Instructor or NSCA (National Strength & Conditioning Association)-Certified Strength & Conditioning Specialist and CPR certification.

Applicants will not be discriminated against due to age, ancestry, color, religious beliefs, disability (mental and physical), marital, familial or parental status, medical condition, genetic information, military and Veteran status, national origin, race, gender identity, sexual orientation, or political affiliation.

Interested applicants can send their resume to Daniel Bonilla, Clinical Integration Director, SBH Health and Wellness Center -- Healthplex Fitness Center, at DBonilla@sbhny.org.
